Events

In cooperation with the Vision-Academy we hold the two Basic Trainings I and II. The dates for the current year are listed on schedule on the right.

For the CAMAT[®]-Seminar or other desired courses please communicate with us in order to find an appropriate date.

Alternative dates can be arranged for the Basic Trainings I and II as well. And: all courses can take place in our training classrooms and laboratory or by special arrangement In-house.

- **Contents Basic-Training I (Optics and Lighting)**
- **Contents Basic-Training II (Vision-System PICTOR[®])**
